On November 15, 2022, this officer spoke with staff at The Center for Alcohol and Drug Treatment. Staff reported Mr. Wyman provided a drug test on November 7, 2022, that was sent to the laboratory for testing. On November 15, 2022, the drug test returned positive for methamphetamine and marijuana.

After learning about the positive drug test, this officer spoke with Mr. Wyman on the telephone. Mr. Wyman admitted to using methamphetamine and marijuana on November 7 and 14, 2022.

The U.S. Probation Office respectfully recommends the Court incorporate the alleged violation with the violation reported to the Court on September 6, 2022. Mr. Wyman is scheduled to appear before the Court on a supervised release revocation hearing on November 16, 2022.

I declare under penalty of perjury that the foregoing is true and correct.
